

# Library Volunteers Needed

Our class visits the library each week for 30 minutes. During our visit the librarian reads our class a book or reviews library/research skills and Internet safety.

Our weekly scheduled library time is: \_\_\_\_\_ at \_\_\_\_\_. During holidays and non-school days, our schedule may change.

## Help is needed with the following areas:

- Scanning in books to return them to circulation
- Re-shelving the books from our class
- Help students find books to check-out
