## Standards Embedded in the Overarching Library Community

The following standards should be embedded in the overall climate and structure of the library community. As librarians, media specialists, and aides work with learners, they should strive to:

- demonstrate equity and empathy in knowledge building  
(AASL.II.D.1, AASL.II.D.2)
- provide interactions with a range of learners and perspectives  
(AASL.II.D.1, AASL.II.B.1, AASL.II.B.3, AASL.II.A.1, AASL.II.D.2, AASL.III.B.1, AASL.V.D.3)
- bring about awareness of the global learning community  
(AASL.II.D.1, AASL.II.B.1, AASL.II.A.3, AASL.II.B.3)
- provide opportunities for conversation and debate  
(AASL.II.C.1)
- encourage collaborative learning  
(AASL.III.A.1, AASL.III.B.1)
- focus on broadening and deepening understanding  
(AASL.II.A.1)
- provide opportunities to engage in inquiry-based processes and problem-solving challenges  
(AASL.V.A.3, AASL.V.D.1)
- encourage the process of personal reflection and growth  
(AASL.II.D.3, AASL.V.A.3, AASL.V.D.1, AASL.V.D.2, AASL.V.D.3)
- provide access to a variety of tools and resources  
(AASL.III.B.1, AASL.VI.D.1)

## Standards for Stations and Centers

School libraries and media centers which utilize stations and centers within the library meet the following AASL National School Library Standards:

AASL.V.A.3 Explore: Think: Competency 3: Learners develop and satisfy personal curiosity by engaging in inquiry-based processes for personal growth.

AASL.III.A.1 Collaborate: Think: Competency 1 Learners identify collaborative opportunities by demonstrating their desire to broaden and deepen understandings.

AASL.III.A.3 Collaborate: Think: Competency 3 Learners demonstrate collaborative opportunities by deciding to solve problems informed by group interaction.

AASL.III.B.1 Collaborate: Create: Competency 1: Learners participate in personal, social, and intellectual networks by using a variety of communication tools and resources.

AASL.III.B.2 Collaborate: Create: Competency 2: Learners participate in personal, social, and intellectual networks by establishing connections with other learners to build on their own prior knowledge and create new knowledge.

AASL.III.C.1 Collaborate: Share: Competency 1: Learners work productively with others to solve problems by soliciting and responding to feedback from others.

AASL.III.D.1 Collaborate: Grow: Competency 1: Learners actively participate with others in learning situations by actively contributing to group discussions.

## Standards for Makerspaces

Additionally, libraries that include makerspaces meet the following AASL National School Library Standards:

AASL.V.B.1 Explore: Create: Competency 1: Learners construct new knowledge by problem-solving through cycles of design, implementation, and reflection.

AASL.V.B.2 Explore: Create: Competency 2: Learners construct new knowledge by persisting through self-directed pursuits by tinkering and making.

AASL.V.C.1 Explore: Share: Competency 1: Learners engage with the learning community by expressing curiosity about a topic of personal interest or curricular relevance.

AASL.V.C.2 Explore: Share: Competency 2: Learners engage with the learning community by co-constructing innovative means of investigation.

AASL.V.C.3 Explore: Share: Competency 3: Learners engage with the learning community by collaboratively identifying innovative solutions to a challenge or problem.
